MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION AND
SUSTAINMENT
AUDITOR GENERAL, DEPARTMENT OF THE NAVY

SUBJECT: Audit of Environmental Threats to Naval Dry Docks
(Project No. D2022-D000AH-0098.000)

We plan to begin the subject audit in February 2022. The objective of this audit is to determine whether Navy officials planned for environmental threats to naval dry docks, in accordance with Federal and DoD policies. We may revise the objective as the audit proceeds, and we will also consider suggestions from management for additional or revised objectives.

We will perform the audit at the Office of the Under Secretary of Defense for Acquisition and Sustainment; Norfolk Naval Shipyard, Virginia; Pearl Harbor Naval Shipyard, Hawaii; Portsmouth Naval Shipyard, Maine; and Puget Sound Naval Shipyard, Washington. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audacs@dodig.mil.
