MEMORANDUM FOR DISTRIBUTION

SUBJECT: Evaluation of the Department of Defense's Response to "Havana Syndrome" (Project No. D2022-DEV000-0047.000)

We plan to begin the subject evaluation in January 2022. The objective of this evaluation is to determine the extent to which the Department of Defense has developed guidance and implemented procedures to identify and evaluate DoD personnel who may have "Havana Syndrome." We may revise the objective as the evaluation proceeds, and we will also consider suggestions from management for additional or revised objectives.

We will perform the evaluation in the National Capitol Region. Given the current Health Protection Condition level, meetings and discussions will be handled via video and teleconference means. We may identify additional locations during the evaluation.

Please provide us with a point of contact for the evaluation within **5 days** of the date of this memorandum. The point of contact should be either a GS-15, pay band equivalent, or military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [REDACTED]
