MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION AND  
SUSTAINMENT  
AUDITOR GENERAL, DEPARTMENT OF THE ARMY

SUBJECT: Audit of the Army's Use of Public-Private Partnerships for Depot-Level  
Maintenance (Project No. D2022-D000AH-0050.000)

We plan to begin the subject audit in January 2022. The objective of this audit is to determine whether Army officials established baselines and metrics to measure benefits from their public-private partnerships for depot-level maintenance in accordance with Federal and DoD policies, and whether those benefits have been realized. We may revise the objective as the audit proceeds, and we will also consider suggestions from management for additional or revised objectives.

We will perform the audit at Anniston Army Depot, Alabama, and at Army program and contracting offices supporting the M1-Abrams Tank, the Joint Assault Bridge, and the Stryker Family of Vehicles. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [audacs@dodig.mil](mailto:audacs@dodig.mil).

You can obtain information about the Department of Defense Office of Inspector General from DoD Directive 5106.01, "Inspector General of the Department of Defense (IG DoD)," April 20, 2012, as amended; DoD Instruction 7600.02, "Audit Policies," October 16, 2014, as amended; and DoD Instruction 7050.03, "Office of the Inspector General of the Department of Defense Access to Records and Information," March 22, 2013.
