# Cross Section A-A

## Legend

- █ Delineated Wetland Boundary
- █ Existing UPRR ROW
- █ Proposed UPRR ROW
- █ Fill in Wetland
- █ Riprap in Wetland
- Existing Ground Level
- Proposed Ground Level

**Features:** Wetland A

**Station:** 4275+00

**Notes:**

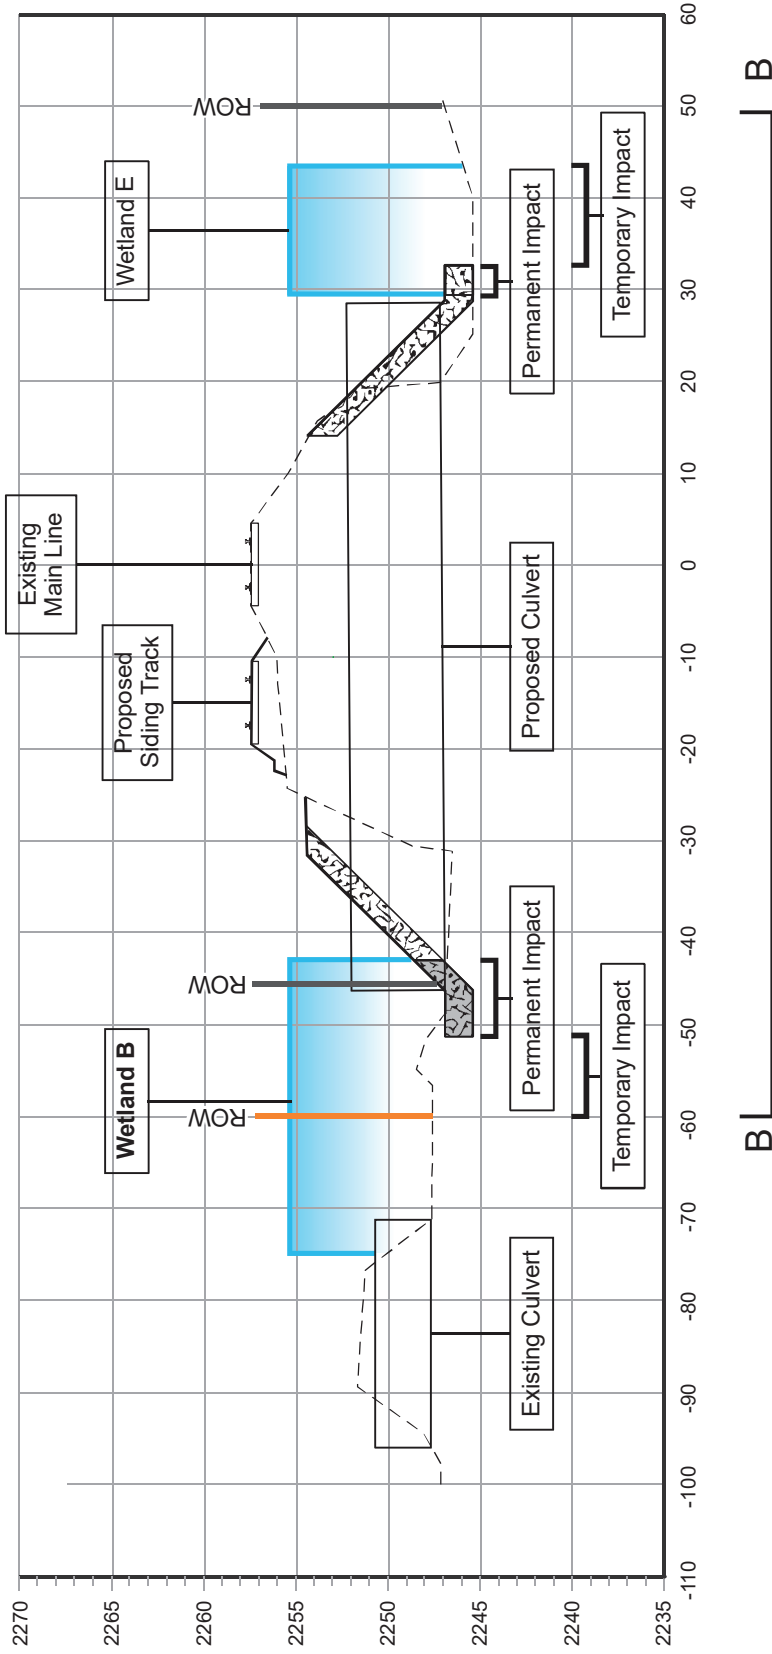

- Aquatic resource delineation completed December 2021.
- Cross Sections have been adapted from Benesch Cross Sections dated 2/14/2022 at the noted station number.

**Direction:** Facing northwest

**Date:** TBD

# Cross Section B-B

**Features:** Wetland B

**Station:** 4256+38.17

**Notes:**

- Aquatic resource delineation completed December 2021.
- Cross Sections have been adapted from Benesch Cross Sections dated 2/14/2022 at the noted station number.

**Direction:** Facing northwest

**Date:** TBD
