

Natural Medicines Comprehensive Database Mobile App

You will need to create a personal login to access the mobile app.

How do I create a personal login?

1. Access Natural Medicines Comprehensive Database through the AVL site or while on the Athens remote access platform.
2. Click on “Get Your Login ID” in the top right corner.

3. Create your profile.

The left column, titled "Unlock more features with a personal account", contains four checkboxes: "Access from mobile devices", "Take CE courses", "Get answers in Forums", and "Personalize your notifications". The right column contains three input fields: "USERNAME", "PASSWORD", and "CONFIRM PASSWORD". Below the "PASSWORD" field, there is a note: "Minimumum 8 characters." At the bottom of the right column is a blue button labeled "Finish".

5. **IMPORTANT:** When you get to the screen below, you **DO NOT** need to click “OK.” It takes you to an error message.

6. Download Natural Medicines Database app from Google Play or the App Store.
7. Log into the app with the personal username and password you created in step 4.
