

## Accessing the UpToDate Mobile App and Earning CME

\*\*\*You must register for an UpToDate account to access the UpToDate Mobile App and earn CME\*\*\*

### How do I register for an account?

There are two ways to register for an account:

- Register through the CAC-enabled link on the AMEDD Virtual Library (AVL) site.
- Register at <https://www.uptodate.com>.

### Register through the AVL Site - <https://medlinet.amedd.army.mil>

1. Go to the AMEDD Virtual Library (AVL) at <https://medlinet.amedd.army.mil>
2. Click on UpToDate. The links to UpToDate on the AVL site are CAC-enabled links.
3. Click "OK" when prompted for your CAC certificate.
4. The first time you access the CAC-enabled UpToDate link, you will be taken to a registration page.
5. If you already have an UpToDate username and password, click the "Log In" button and sign into your personal account with your existing credentials.
6. If you do not have an UpToDate username and password, complete all fields and click "Submit Registration" to create a personal account.

To register, fill in all fields and click Submit Registration

If you skipped this initial registration the first time you logged into UpToDate through the CAC-enabled link, you can still register by clicking on "Register" in the top right corner to create a personal account.

### Registering at <https://www.uptodate.com>

1. Go to UpToDate at <https://www.uptodate.com> while on your MTF network or VPN.
2. Click on "Register" in the top right corner to create a personal account.

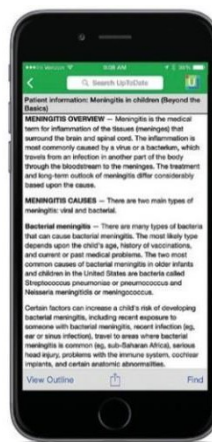

## UpToDate Mobile Access

1. Upon completion of the registration process, you will receive a confirmation email from UpToDate with instructions on downloading and activating the mobile app. You can also get the instructions, by logging into your personal account in UpToDate, clicking on your name in the top right corner, selecting the “Download Products” link, and clicking on “Learn how to install now.”

Once registered, you can install the Mobile App on up to two devices:

2. On your smartphone or tablet, search for “UpToDate” in your app store and install the free app.
3. Open the UpToDate Mobile App upon completion of download.
4. Log in with your UpToDate username and password. *You only need to do this once - the app remembers your username and password.*

## ACCESS UPTODATE ANYWHERE

- In addition to the Mobile App, you can access UpToDate from any computer with internet access.
- Simply go to [www.uptodate.com](http://www.uptodate.com) and click the “Log In” button located in the top right corner of the UpToDate home page, and enter your user name and password.

## MAINTAINING ACCESS

- In order to maintain uninterrupted access to UpToDate Anywhere, you must re-verify your affiliation with your hospital or organization once every 90 days
- Re-verification can be accomplished using the following methods:
  1. Access UpToDate via the AVL at least once every 90 days. Confirm you are logged in by locating your name in the upper right hand corner of the UpToDate screen. This will automatically re-verify your affiliation and you will not receive any re-verification messaging. This method does not require UpToDate log in.
  2. Log in to UpToDate by going to [www.uptodate.com](http://www.uptodate.com) from a computer or device connected to your hospital or organization's network. This method requires you to log in to UpToDate with your UpToDate user name and password.

**Please Note:** In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 80. You will receive a second alert at day 90. If you fail to re-verify by day 90, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined in steps 1 or 2.
