

## PUBLIC NOTICE

### Willow Grove Air Station Restoration Advisory Board Meeting/Public Tour

The Naval Facilities Engineering Systems Command Base Realignment and Closure Office (NAVFAC BRAC PMO) and the Air National Guard (ANG), announce a hybrid in-person/virtual meeting of the Willow Grove Air Station Restoration Advisory Board (RAB). A tour of the Biddle ANG Base and NASJRB Willow Grove environmental restoration sites will be available to the public at the conclusion of the RAB meeting.

Individuals who are interested in attending either the RAB meeting and/or public tour in-person must register at <https://tinyurl.com/RABRSVP> by **November 17, 2022**. There is a 60 person attendance cap for the in-person meeting/public tour. Early registration is encouraged. No walk-ins will be permitted due to Biddle Air National Guard Base installation security requirements. Currently, there are no mask requirements in place due to COVID-19, but masks are encouraged. Masking requirements may change based upon COVID-19 transmission rates at the time of the RAB meeting.

NAVFAC BRAC PMO and the ANG consulted with Federal and State regulators on the hybrid meeting format. The virtual meeting will show the presentations and the presenters will be audio only.

NAVFAC BRAC PMO and ANG will provide updates of environmental restoration activities, and actions taken for Perfluorooctanoic Acid (PFOA) or Perfluorooctanesulfonic acid (PFOS). Health professionals will provide an update after the conclusion of the environmental restoration updates. Community members who are unable to attend the meeting in-person or virtually have the opportunity to provide input to the environmental restoration process by contacting the respective Navy or ANG contact listed below. Further information about the RAB meeting will be available several days before the meeting at this website:
