MEMORANDUM FOR: SEE DISTRIBUTION

SUBJECT: Audit of Department of Defense's Implementation and Oversight of the Controlled Unclassified Information Program (Project No. D2022-D000CR-0177.000)

We plan to begin the subject audit in October 2022. We are conducting the audit at the direction of the Senate Armed Services Committee. The objective of this audit is to determine the extent to which the Department of Defense (DoD) developed guidance, conducted training, and oversaw the implementation of the DoD Controlled Unclassified Information (CUI) Program. We will also review a sample of CUI documents from selected DoD Components and contractors to determine whether the documents are properly marked. We may revise the objective as the audit proceeds, and we will also consider suggestions from management on additional or revised objectives.

We will perform the audit at the Offices of the Under Secretary of Defense for Research and Engineering, Acquisition and Sustainment, and Intelligence and Security; DoD Chief Information Officer; and selected DoD Components and contractors that designate, handle, and disseminate CUI. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [audcso@dodig.mil](mailto:audcso@dodig.mil).
