DEFENSE INTELLIGENCE AGENCY

## **Evaluation of DIA's Management of Reserve Military Intelligence Capabilities, Project 2020-2005**

We evaluated DIA's management and oversight of the DoD Joint Reserve Intelligence Program, including the Joint Reserve Intelligence Centers. We also evaluated DIA's internal management and use of reserve military intelligence capabilities, as well as assessed the effectiveness of the Agency to facilitate, coordinate, and oversee the management of Joint Reserve Intelligence Support Elements and reservists on orders. We issued the classified results of our evaluation, along with six recommendations, in a Final Report dated October 29, 2021.
