## CTU PATRIOT SCHOLARSHIP

In 2008, Colorado Technical University created a scholarship to give back to those whose lives have been altered due to injury while serving in the United States Armed Forces. For many, the impact of an injury reaches farther than the service member alone. That's why CTU annually awards a scholarship to fifty eligible wounded service members, their spouses, non-medical attendant or caregiver and dependents.

### HOW TO APPLY?

The application for the 2023 Patriot Scholarship is now closed. The 2024 application window will open in Spring 2023. To receive a reminder when the 2024 application becomes available, please provide your contact information using the [link](#).
