Members of the 3rd Mobile Aerial Port Squadron, stationed at Pope Air Force Base, are assisted by Ft. Bragg's 27th Engineer Battalion (Combat Airborne) as they load a bulldozer and supplies aboard a C-141 at Pope AFB for

airdrop in Honduras during exercise Cabanas '86. Five Military Airlift Command bases supported the airlifting of the 27th, which was airdropped to build a dirt airstrip as part of the exercise.
