These two articles were passed to me by Col John Sowers, HQ MAC/DE, with the attached note while I was at MAC TDY. I think either one of the articles would be appropriate for reprinting in the Herald and it would certainly show folks that people outside of just the local area took note of and learned from the accident. The families might also appreciate a copy.

MEMORANDUM FOR: Lt Col Garcia

Sam

- Two articles in our local paper which I suggest you take home and show to your boss and PA folks. May want to re-publish locally and possibly give to families affected by recent C-130 loss.

- Thanks
