Subject: 4<sup>th</sup> Five Year Review Public Interview Questionnaire Former Naval Air Station South Weymouth, Weymouth, Massachusetts

Dear Citizens of Abington, Rockland, and Weymouth, MA,

Resolution Consultants, on behalf of the United States Department of Navy, is pleased to distribute the following interview questionnaire to the public regarding the remedial activities that have occurred at former Naval Air Station (NAS) South Weymouth during the 4<sup>th</sup> Five-Year Review (FYR) period from July 2018 through July 2023.

Under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) §121 (c), if a remedial action results in CERCLA hazardous substances, pollutants or contaminants remaining at a site at levels that do not allow for unlimited use and unrestricted exposure, the site must be reviewed every five years. The Department of the Navy, in cooperation with the U.S. Environmental Protection Agency and the Massachusetts Department of Environmental Protection, has begun the 4<sup>th</sup> FYR of the remedies selected at former NAS South Weymouth. The goal of FYR is to evaluate the implementation and performance of the remedies to determine if the remedies are and will continue to be protective of human health and the environment.

This questionnaire is being provided to the former NAS South Weymouth Restoration Advisory Board, Southfield Redevelopment Authority, the site developer (Brookfield Properties), and the town health departments and citizens of Abington, Rockland, and Weymouth, MA. Your response is requested to gauge community knowledge and concerns regarding the status of the implemented remedies.

This questionnaire can also be found the NAS South Weymouth website at the following weblink:

Please respond to the questions on the attached questionnaire, and send your responses to Mr. Brian Helland, Remedial Project Manager, BRAC Program Management Office Northeast, 4911 South Broad Street, Philadelphia, PA 19112 or via email to brian.helland@navy.mil.

Sincerely,

Michelle Colón, CHMM
