LINES OF EFFORT FOCUS

LACTATION ROOMS

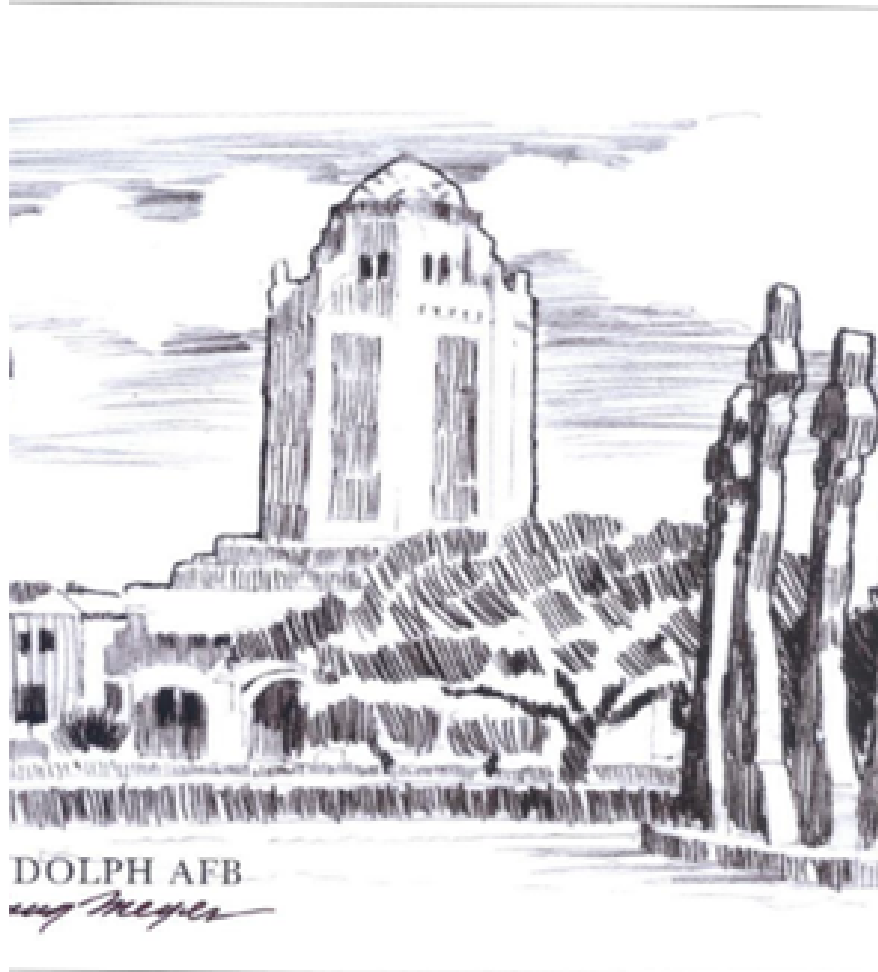

SrA Kelter is leading the charge to get lactation rooms installed in units throughout the installation. If you'd like to help please reach out to SrA Kelter or the JBSA WIT Facebook page.

CHILDCARE

This LOE is focused on the issues surrounding securing childcare for members. Tracking mechanisms at the CDCs and expansion of in-home care options is a current focus for this group. If you're interested in contributing please contact MSgt Lozano or the JBSA WIT Team members page on Facebook.

MATERNITY UNIFORMS

Did you know a maternity uniform program is in place at JBSA? Supply chain issues have affected many installations throughout the DoD and maternity uniforms of all sizes are in short supply. This program allows for women to borrow uniforms for the duration of their pregnancy through a simple process. Contact your unit First Sergeant for details!

PREGNANCY PARKING WIN

Ms. Lisa Peralta Bell and her team will participate in a ribbon-cutting ceremony on 1 June at 0800 at JBSA Randolph. After months of coordination and hard work, pregnant parking spots were installed at Randolph, Lackland, and Ft Sam Houston Base Exchange locations. The next goal this tenacious team is reaching for is the distribution of these spots to organizations throughout the JBSA installations.

Would you be interested in joining this LOE? Contact: Ms. Peralta or check out the JBSA Women's Initiative Team Facebook Page.
