MEMORANDUM FOR COMMANDER, U.S. EUROPEAN COMMAND  
AUDITOR GENERAL, DEPARTMENT OF THE ARMY

SUBJECT: Termination of the Audit of Explosives Safety and Munitions Risk Management in Support of Ukraine Operations (Project No. D2023-D000RH-0055.000)

We announced the subject audit on January 23, 2023 (attached). The objective was to determine whether the DoD is executing Explosives Safety and Munitions Risk Management for explosives and munitions provided to assist Ukraine operations in accordance with Federal and DoD policies. We suspended the audit on February 21, 2023, to focus resources on another Ukraine-related audit. Since the suspension, additional areas continue to emerge as higher priority. Therefore, we are terminating the audit to focus our resources on higher priority oversight projects of Ukraine assistance. We may re-announce the audit in the future.
