RAB Mission Statement

Excerpt:

The mission of the RAB is to promote community awareness and obtain timely constructive community review and comment on proposed environmental restoration actions to accelerate the clean-up and property transfer of MCAS El Toro. The RAB serves as a forum for the presentation of comments and recommendations to U.S. Marine Corps (Navy) and Remedial Project Managers (RPMs) of the U.S. Environmental Protection Agency (U.S. EPA), and the Department of Toxic Substances Control (DTSC).
