MEMORANDUM FOR DISTRIBUTION

SUBJECT: Termination of the Audit of the DoD's Implementation of the DoD Digital Modernization Strategy (Project No. D2022-D000CT-0030.000)

We announced the subject audit on November 8, 2021 (attached). The objective was to determine the DoD's progress in implementing the actions planned to achieve the goals of the DoD Digital Modernization Strategy. We suspended the audit in December 2021 to focus resources on conducting COVID-19-related audits. Since the suspension, the DoD governance boards responsible for implementing the Digital Modernization Strategy have undergone staffing and organizational changes. Therefore, we are terminating the audit to determine the impact of those changes on our audit and make adjustments as necessary. We plan to re-announce the audit later this year.
