To request BAH for the previous duty station, the member's and dependent's residence must be within the reasonable commuting distance (RCD) standard to the previous PDS (CG Pay Manual, 3.C.2.a). If the residence is not within the RCD standard, BAH may be based on the member/dependent residence if the member is not moving their dependents to a designated place at government expense.

Note 4: Family Separation Housing (FSH) allowance authorization will be determined by completing the Family Separation Housing (FSH) Allowance worksheet (CG-7220). FSH is not authorized when assigned to sea duty because shipboard quarters are available. See the CG Pay Manual, 3.G.11.

If CG PSC (psd-fs) approves rate protection for my previous duty station or my dependent location, I understand BAH rate protection remains in effect until I execute a PCS from my permanent duty station, retire, resign, discharge, divorce (if currently married), my dependency status changes from with dependents to without dependents, or without dependents to with dependents, or I and/or my dependents (if with dependents) relocate my residence. I will promptly notify my command and P&A official if any of these actions occur.
