SUBJECT: Audit of Munitions Storage in the U.S. Indo-Pacific Command
(Project No. D2023-D000RM-0094.000)

The purpose of this memorandum is to notify you that we plan to begin the subject audit in May 2023. The objective of this audit is to determine whether the DoD stores and secures munitions in the U.S. Indo-Pacific Command (USINDOPACOM) area of responsibility in accordance with applicable safety and security policies. We may revise the objective as the audit proceeds, and we will also consider suggestions from management for additional or revised objectives. We plan to perform this audit in accordance with the Government Accountability Office's generally accepted government auditing standards.

We will perform the audit at installations located in Hawaii, Guam, and Japan. We may identify additional locations during the audit.

We request that you designate a staff member to serve as our point of contact for this audit within **5 days** of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or military equivalent—and knowledgeable of the storage and security of munitions related to the objective. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrgo@dodig.mil.
