Virtual and In-Person
Location and call-in information shown below

FORMER NAVAL WEAPONS STATION
CONCORD, CALIFORNIA
RESTORATION ADVISORY BOARD

The Department of Navy invites interested members of the public to attend a Restoration Advisory Board (RAB) meeting either in-person or virtually. The meeting will be offered in both forms for maximum attendance. The meeting will include updates and presentations with members of the RAB made up of representatives from the local community and the Navy. Federal and State regulatory agencies are also invited to participate, provide updates, and answer questions. The Navy encourages the public to participate and keep informed about the environmental cleanup at the Former Naval Weapons Station Concord (NWS Concord) in Concord, California.

The virtual meeting will include presentations about the Navy's environmental work and reports. The November 2023 RAB meeting featured topics are as follows:

1) Site 22 – Phytoremediation Pilot Study Results

2) Bermed Area Field Work Update

The presentation slides will be available for live viewing to all who use the virtual format, while the presenters will be audio only. Community members who are unable to participate in-person or in the virtual meeting may review the presentations and provide input to the environmental restoration process by contacting the Navy contact listed below. The details of the meeting will be posted to the following website:
