 - 2) VACANT LAND: Rio Rancho, NM
 - a) 9.036 acres
 - b) VOTE recommendation: Unilateral use
- f. US Air National Guard:
- 1) PROJECT (FY22): Repair Medical Facility 1079
 - a) Component Project No. # MHMV132101
 - b) OBJECTIVE: To perform optimal configuration and space optimization. Office and exam rooms are not ideally sized and patient care areas are spread throughout the facility causing patient flow conflicts.
 - c) 2251 Air Guard Dr. SE, Kirtland AFB, NM 87117
 - d) FY22 / \$4.3 M
 - e) VOTE recommendation: Unilateral Construction
 - f) *Under Construction
 - 2) PROJECT (FY23+): Repair Base Civil Engineering Facility 1060
 - a) Component Project No. # TBD
 - b) OBJECTIVE: To perform relocation of civil engineering flight to optimize space. CE is housing large construction equipment in other areas due to the lack of optimized space.
 - c) 2251 Air Guard Dr. SE, Kirtland AFB, NM 87117
 - d) FY23+ / \$5.1 M
 - e) VOTE recommendation: Unilateral Construction
 - f) *95% Designed
 - 3) PROJECT (FY27+): Building 1055
 - a) Component Project No. # TBD
 - b) OBJECTIVE: To configure and optimize space utilization and upgrade heating and cooling throughout the facility. The facility is crowded and comptroller does not have enough secure office space due to the internal circulation layout. People must pass through the comptroller space that should be secure. Building is also outdated and should be reconfigured to optimize environmental efficiency.

- c) 2251 Air Guard Dr. SE, Kirtland AFB, NM 87117
- d) FY27+ / \$11.5 M ➔ *Project cost increase to \$18 M
- e) VOTE recommendation: Unilateral Construction
