

A wide-angle photograph of the National 9/11 Pentagon Memorial at dusk. The memorial consists of a long, straight walkway of grey stone tiles leading towards the Pentagon building. On either side of the walkway are rows of rectangular stone slabs, each with a glowing yellow light underneath. The Pentagon building is visible in the background, its windows illuminated. The sky is a deep blue.

PATRIOT DAY

WE WILL NEVER FORGET

National 9/11 Pentagon Memorial
