

**PUBLIC MEETING**  
**May 8, 2024, 6:00-7:30 PM**  
**Virtual and In-Person**  
Location and call-in information shown below

**FORMER NAVAL WEAPONS STATION**  
**CONCORD, CALIFORNIA**  
**RESTORATION ADVISORY BOARD**

The Department of Navy invites interested members of the public to attend a Restoration Advisory Board (RAB) meeting either in-person or virtually. The meeting will be offered in both forms for maximum attendance. The meeting will include updates and presentations with members of the RAB made up of representatives from the local community and the Navy. Federal and State regulatory agencies are also invited to participate, provide updates, and answer questions. The Navy encourages the public to participate and keep informed about the environmental cleanup at the Former Naval Weapons Station Concord (NWS Concord) in Concord, California.

The virtual meeting will include presentations about the Navy's environmental work and reports. The May 2024 RAB meeting featured topics are as follows:

- 1) Biological Resource Monitoring at NWS Concord
- 2) Current Status of Environmental Projects Update

The presentation slides will be available for live viewing to all who use the virtual format, while the presenters will be audio only. Community members who are unable to participate in-person or in the virtual meeting may review the presentations and provide input to the environmental restoration process by contacting the Navy contact listed below. The details of the meeting will be posted to the following website:
