PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

Integrated Automated Travel System (IATS) is an automated travel entitlement computation system used by travel office personnel to compute travel entitlements for both military and civilian travelers. IATS computes a variety of travel claims such as temporary duty, permanent change of station, local travel, non-combatant evacuation and personally procured moves in accordance with the Joint Travel Regulations and Federal Travel Regulations. Travelers submit travel claims on DD Form 1351, 1351-2, or 1705 and attach substantiating documents such as travel authorizations (e.g., DD Form 1610 or DD Form 1614), Direct Deposit Form (SF 1199A), and miscellaneous receipts (e.g., lodging and/or rental car). These forms can contain the following Personally Identifiable Information (PII): birth date, child information, DoD ID Number, financial information, home/cell phone, mailing/home address, marital status, name(s), official duty address, official duty telephone phone, personal e-mail address, position/title, rank/grade, Social Security Number (SSN) and work e-mail address.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

PII is collected to enable accurate processing of travel claims. The data identifies the individuals and is vital to proper calculation of travel entitlements. PII is also collected to support mission-related and administrative uses such as disbursing and accounting.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

The collection forms used by the individual Travel Operations Office require the PII for processing the travel claim. IATS uses the data collected on these forms.

f. Do individuals have the opportunity to consent to specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

Individuals do not provide the PII directly to IATS. Other Department of Defense (DoD) interfacing systems through the Travel Operations Offices collect the PII.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

- Privacy Act Statement Privacy Advisory Not Applicable

PRIVACY ACT STATEMENT AUTHORITY: 5 U.S.C. Section 301, Departmental Regulations; 37 U.S.C. Section 404, Travel and Transportation Allowances, General; DoD Directive 5154.29, DoD Pay and Allowance Policy and Procedures; Department of Defense Financial Management Regulation (DoDFMR) 7000.14.R., Volume 9; and E.O. 9397 (SSN), as amended. PRINCIPAL PURPOSE(S): To provide an automated means for computing reimbursements for individuals for expenses incurred incident to travel for official Government business purposes and to account for such payments. Applicable SORN: T7333 (<http://privacy.defense.gov/notices/dfas/T7333.shtml>). ROUTINE USE(S): Certain "Blanket Routine Uses" for all DoD maintained systems of records have been established that are applicable to every record system maintained within the Department of Defense, unless specifically stated otherwise within the particular record system notice. These additional routine uses of the records are published only once in each DoD Component's Preamble in the interest of simplicity, economy, and to avoid redundancy. Applicable SORN: <http://dpcl.o.defense.gov/privacy/SORNs/component/dfas/preamble.html>. DISCLOSURE: Voluntary; however, failure to furnish the requested information may result in total or partial denial of the amount claimed. The Social Security Number is requested to facilitate the possible collection of indebtedness or credit to the DoD traveler's pay account for any residual or shortage.

k. Does this DoD Information system or electronic collection require a Privacy Act Statement System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA Privacy Act SORN information must be consistent.

- Yes No

If "Yes," enter SORN System Identifier: T7333

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcl.dod.mil/Privacy/SORNs/>

or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulations 5400.11-R: Department of Defense Privacy Program.

l. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

(1) NARA Job Number or General Records Schedule Authority.

GRS 1.1 Item 010

(2) If pending, provide the date the SF-115 was submitted to NARA.

(3) Retention Instructions.

DFAS Schedule 7333 Rule 6 pertaining to the record of travel payments has a cut off at the end of the fiscal year in which payment was made and destroyed 10 years after cutoff in accordance with DFAS5015.2M.

m. What is the authority to collection information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

- (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.
- (2) If a SORN does not apply, cite the authority for this DOD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cite, provide all that apply).
 - (a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.
 - (b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.
 - (c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

37 United States Code (U.S.C.) Section 404, Travel and Transportation Allowances: General; DOD Directive 5154.29, DoD Pay and Allowances Policy and Procedures; DoDFMR 7000.14-R, Volume 9; and Executive Order (E.O.) 9397 (SSN) as amended.
