

YOU'RE NOT YOU WITHOUT YOUR CAC

Protect Your Critical and Sensitive Information

Never give the card to anyone except law enforcement or base security personnel. At these times, don't let it out of your line of sight. Always take your ID card out of the card reader when you're not at your desk. Always keep the card with you at all times. Always keep the card in a wallet or ID pouch. Never give it to a club or bar in order to keep a "tab".
