### **Poland – M1A2 SEPv3 Main Battle Tank**

WASHINGTON, February 17, 2022 - The State Department has made a determination approving a possible Foreign Military Sale to the Government of Poland of M1A2 SEPv3 Main Battle Tanks and related equipment for an estimated cost of \$6.0 billion. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Government of Poland has requested to buy two hundred fifty (250) M1A2SEPv3 Abrams Main Battle tanks; two hundred fifty (250) AN/VLQ-12 CREW Duke counter-IED systems; twenty-six (26) M88A2 HERCULES Combat Recovery vehicles; seventeen (17) M1110 joint assault bridges; two hundred seventy-six (276) M2 .50 caliber machine guns; five hundred (500) M240C 7.62mm machine guns; fifteen (15) AGT1500 gas turbine engines; nine thousand one hundred sixty-eight (9,168) 120mm M865 Target Practice, Cone Stabilized, Discarding Sabot - Tracer (TPCSDS-T) cartridges; four thousand five hundred ninety-two (4,592) 120mm M1002 Target Practice Multipurpose Tracer (TPMP-T) projectiles; thirteen thousand nine hundred twenty (13,920) 120mm M830A1 High Explosive Anti-Tank (HEAT) TP-T cartridges; and six thousand nine hundred sixty (6,960) 120mm XM1147 High Explosive multipurpose tracers. Also included are forward repair systems; trailer mounted generators; Common Remote Operated Weapons Station Low Profile (CROWS-LP); communications equipment; GPS receivers; ammunition; spare and repair parts; Special Tools and Test Equipment (STTE); technical manuals and publications; maintenance trainers; gunnery training systems; tank driver's trainers; new equipment training; U.S. Government and contractor technical, engineering, and logistics personnel services; and other related elements of logistics and program support. The total estimated program cost is \$6.0 billion.

This proposed sale will support the foreign policy and national security of the United States by helping to improve the security of a NATO Ally that is a force for political stability and economic progress in Europe.

The proposed sale will improve Poland's capability to meet current and future threats by providing a credible force that is capable of deterring adversaries and participating in NATO operations. Poland will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractors will be General Dynamics Land Systems, Sterling Heights, MI; BAE Systems, York, PA; Leonardo DRS, Arlington, VA; Honeywell Aerospace, Phoenix, AZ; Raytheon Company, McKinney, TX; and Lockheed Martin, Orlando, FL. There are no known offset agreements proposed in connection with this proposed sale.

Implementation of this proposed sale will require approximately (22) U.S. Government and (52) U.S. contractor

representatives to travel to Poland for a duration of up to five years to support equipment fielding and training.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

This notice of a potential sale is required by law. The description and dollar value is for the highest estimated quantity and dollar value based on initial requirements. Actual dollar value will be lower depending on final requirements, budget authority, and signed sales agreement(s), if and when concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military Affairs, Office of Congressional and Public Affairs, [pm-cpa@state.gov](mailto:pm-cpa@state.gov).
