Transmittal No. 15-36

Israel – Joint Direct Attack Munition Tail Kits and Munitions

WASHINGTON, May 18, 2015 - The State Department has made a determination approving a possible Foreign Military Sale to Indonesia for AIM-9X-2 Sidewinder Missiles and associated equipment, parts and logistical support for an estimated cost of \$47 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Government of Israel has requested a possible sale of 14,500 KMU-556C/B Joint Direct Attack Munitions (JDAM) tail kits consisting of 10,000 for Mk-84; 500 for Mk-83; and 4,000 for Mk-82; 3,500 Mk-82 bombs; 4,500 Mk-83 bombs; 50 BLU-113 bombs; 4,100 GBU-39 Small Diameter bombs; 1,500 Mk-83 Paveway kits; 700 BLU-109 Paveway kits; 3,000 AGM-114K/R Hellfire Missiles, 250 AIM-120C Advanced Medium Range Air-to-Air Missiles; and 500 DSU-38A/B Detector Laser Illuminated Target kits for JDAMs. The total estimated cost \$1.879 billion.

The United States is committed to the security of Israel, and it is vital to U.S. national interests to assist Israel to develop and maintain a strong and ready self-defense capability. This proposed sale is consistent with those objectives

The proposed sale of this equipment will provide Israel the ability to support its self-defense needs. These munitions will enable Israel to maintain operational capability of its existing systems and will enhance Israel's interoperability with the United States. Israel, which already has these munitions in its inventory, will have no difficulty absorbing the additional munitions into its armed forces.

The proposed sale of these munitions will not alter the basic military balance in the region.

The principal contractors will be The Boeing Company in St. Charles, Missouri; Lockheed-Martin Company in Archbald, Pennsylvania; General Dynamics in Garland, Texas; Elwood National Forge Co. in Irvine, Pennsylvania; and Raytheon Missile Systems in Tucson, Arizona. There are no known offset agreements in connection with this proposed sale.

Implementation of this proposed sale will require travel of U.S. Government or contractor representatives to Israel on a temporary basis for program technical support and management oversight.

There is no adverse impact on U.S. defense readiness as a result of this sale.

This notice of a potential sale is required by law and does not mean the sale has been concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military Affairs, Office of Congressional and Public Affairs, pm-cpa@state.gov.
