020204. Distance Determinations

~~D. Department of Defense (DoD) Travel Modernization Pilot Program Exemption. The Department of Defense (DoD) Travel Modernization Pilot Program is exempt from using the DTOD and all mileage will be computed using a commercially available mileage computation application. TDY mileage (station to station) will be determined based on calculations from physical address to physical address, zip code to zip code, or city to city. Local and terminal transportation mileage will be determined based on calculations from physical address to physical address or using odometer readings.~~
