Chief,

Please disregard the previous email referencing training on July 17th - 20th. I was just advised by NJOHS that there is a Union issue. This training will be scheduled at a later date.

Respectfully,

Steven LaPenta

Chief Jackson,

Please see the attached email for Container Ship Cargo EV Fires Awareness Training. This training is scheduled for July 17-18-19-20. We can send the 1st alarm assignment. There are 2 sessions per day. We can split the assignment into a Signal-9 with Rescue for the 1st session and a Signal-9 with Deputy 1 for the 2nd session.

In light of the of the incident last week, I feel this training should move forward as planned despite the timing. I am awaiting your approval so I can call NJOHS to confirm and then we can put a notice out with time and companies. Please advise.

Respectfully,

Steven LaPenta

Subject: Port Newark Container Terminal - Container Terminal Emergency Response

Chief,

Good afternoon.

In June we will be conducting, Awareness Seminars for EV Fires in the Maritime Supply Chain: Two sessions p/day, 8 sessions p/week for two weeks, 30-35 firefighters p/session.

The Container Terminal Emergency Response (CTERs) seminars has been in progress since 2021 and we are now able to access the Newark Marine Terminal (PNCT) to provide the seminar exercises for your agency.

Maher Container Terminal, Global Container Terminal NJ and Global Container Terminal NY have all participated with FDNY, FDJC, Bayonne and Elizabeth FD's.

Lecture – 1 hour (PNCT Training room)

STS Crane tours 1.5 hours accompanied by PNCT Engineers on the facility

Sessions: 2 p/day to accommodate 50% of each group (A,B,C,D) each day (25% p/session)

Participants p/ session 20-25

PNCT wasn't available earlier while they were completing construction of their new cranes. They provided this schedule so we can get started:

July Monday 10th, Tuesday 11th, Wednesday 12th and Thursday 13th

July Monday 17th, Tuesday 18th, Wednesday 19th and Thursday 20th

I realize these seminars are nearly back to back for your agency, but it's challenging to get a facility's resources available while ships are in port and they're under construction.

Please advise on your availability to participate in the PNCT - CTER's Awareness Seminars.

Best Regards
