MEMORANDUM FOR UNDER SECRETARY OF DEFENSE (COMPTROLLER)/CHIEF  
FINANCIAL OFFICER, DOD  
DIRECTOR, DEFENSE INFORMATION SYSTEMS AGENCY  
DIRECTOR, DEFENSE FINANCE AND ACCOUNTING SERVICE

SUBJECT: Oversight of the Audit of the FY 2024 Defense Information Systems Agency  
Working Capital Fund Financial Statements  
(Project No. D2024-D000FL-0067.000)

The purpose of this memorandum is to inform you of our planned oversight that will begin immediately. The Under Secretary of Defense (Comptroller)/Chief Financial Officer, DoD, requested the audit of the Defense Information Systems Agency Working Capital Fund Financial Statements. We contracted with the independent public accounting firm of Kearney & Company, P.C. (Kearney) to audit the Defense Information Systems Agency Working Capital Fund Financial Statements as of and for the fiscal years ending September 30, 2024, and September 30, 2023. The objective of Kearney's audit is to determine whether the FY 2024 Defense Information Systems Agency Working Capital Fund Financial Statements and related notes are presented fairly and in conformity with accounting principles generally accepted in the United States of America. The objective of our project is to provide contract oversight of Kearney's audit and determine whether Kearney complied with the contract and generally accepted government auditing standards.

We will rely on the Government Accountability Office/Council of the Inspectors General on Integrity and Efficiency, "Financial Audit Manual," Volume 2, June 2022 (Updated May 2023), Section 670, "IG Oversight of Audits Performed by Contracted Independent Public Accounting (IPA) Firms," to design and perform oversight procedures to review Kearney's audit work and, if applicable, disclose instances in which Kearney did not comply, in all material respects, with generally accepted government auditing standards. Our review will not enable us to express an opinion on the Defense Information Systems Agency Working Capital Fund Financial Statements or draw conclusions about the effectiveness of internal control, whether the financial management systems substantially complied with the Federal Financial Management Improvement Act of 1996, or on the Defense Information System Agency's compliance with laws and regulations. We will provide oversight and review Kearney's audit work, but Kearney will be responsible for expressing the opinion on the financial statements and related notes.

We request that you designate a staff member to serve as our point of contact for this oversight project within **5 days** of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or military equivalent—and knowledgeable of the financial statements related to the objective. Send the contact's name, title, grade/pay band, phone number, and email address to [audfmr@dodig.mil](mailto:audfmr@dodig.mil).

The Inspector General Act of 1978, 5 U.S.C. §§ 401-424, as amended, authorizes us to have access to personnel and materials as we determine necessary to perform our oversight in a

timely manner.
