MEMORANDUM FOR UNDER SECRETARY OF DEFENSE (COMPTROLLER)/CHIEF
FINANCIAL OFFICER, DOD
DIRECTOR, DEFENSE FINANCE AND ACCOUNTING SERVICE
DIRECTOR, DEFENSE LOGISTICS AGENCY

SUBJECT: Oversight of the Audit of the FY 2024 Defense Logistics Agency Working Capital
Fund Financial Statements (Project No. D2024-D000FE-0048.000)

The purpose of this memorandum is to inform you of our planned oversight that will begin immediately. The Under Secretary of Defense (Comptroller)/Chief Financial Officer, DoD, requested the audit of the Defense Logistics Agency (DLA) Working Capital Fund Financial Statements. We contracted with the independent public accounting firm of Ernst & Young, LLP (EY) to audit the DLA Working Capital Fund Financial Statements as of and for the fiscal years ending September 30, 2024, and September 30, 2023. The objective of EY's audit is to determine whether the FY 2024 DLA Working Capital Fund Financial Statements and related notes are presented fairly and in conformity with accounting principles generally accepted in the United States of America. The objective of our project is to provide contract oversight of EY's audit and determine whether EY complied with the contract and generally accepted government auditing standards. We will execute the contractor's audit procedures associated with reviews of transactions and facilities that are Special Access Programs and TOP SECRET/Sensitive Compartmented Information and provide an unclassified version of the results of our review to EY to use in developing its overall audit conclusions.

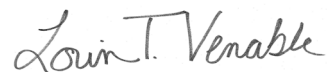

We will rely on the Government Accountability Office/Council of the Inspectors General on Integrity and Efficiency, "Financial Audit Manual," Volume 2, June 2022 (Updated May 2023), Section 670, "IG Oversight of Audits Performed by Contracted Independent Public Accounting (IPA) Firms," to design and perform oversight procedures to review EY's audit work and, if applicable, disclose instances in which EY did not comply, in all material respects, with generally accepted government auditing standards. Our review will not enable us to express an opinion on the DLA Working Capital Fund Financial Statements or draw conclusions about the effectiveness of internal control, whether the financial management systems substantially complied with the Federal Financial Management Improvement Act of 1996, or on the DLA's compliance with laws and regulations. We will provide oversight and review EY's audit work, but EY will be responsible for expressing the opinion on the financial statements and related notes.

We request that you designate a staff member to serve as our point of contact for this oversight project within **5 days** of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or military equivalent—and knowledgeable of the financial statements related to the objective. Send the contact's name, title, grade/pay band, phone number, and email address to audfmr@dodig.mil.

The Inspector General Act of 1978, 5 U.S.C. §§ 401-424, as amended, authorizes us to have access to personnel and materials as we determine necessary to perform our oversight in a timely manner.
