1/24/2023	2023-CGFO-00705	Requesting is for three projects: 1. A major asbestos remediation project that included the main hangar, the CGAS Exchange and various shop spaces. To the best of my recollection this project was initiated during the 1987-1988 time frame 2. A major jet fuel plume was discovered from leaking jet fuel tanks on the south side of the airfield. A contract was awarded, wells were drilled, a stripper was installed and the remediation process began. This project was a late 1990s project and Jet fuel was continuously pumped from the ground. 3. There was a contract awarded and work commenced to replace various industrial electrical components that were leaking PCB's. This too was a late 1980's project.		Turosky, Joseph

1/24/2023	2023-CGFO-00706	Seeking a certified copy of the entire marine casualty investigation file, including all marine casualty reports, (including Form 2692 and 2692B), recommendations, investigator's notes, surveys, information and documentation (whether written, photographed, photocopied or recorded by other electronic means, including videotape, audiotape or other computer storage medium), that is in the possession, custody, or control of the U.S.C.G., or its investigating officers, noncommissioned personnel, or civilian employees concerning or relating to the above referenced matter.		Compton, Gloria
