

INFORMATION	TIME
Fire Ignites	20:58 to 21:00
DISPATCH: E-5 / E-14 / E-16 / E-27 / L-4 / L-5 Fast Team / L-8 / R-1 / B-4 / B-5 / D-1 / ISO "Marsh & Corbin St" "Ship on fire with a bunch of vehicles onboard", "Port Authority will meet FD" "Use channel 2"	21:24 to 21:27
D-1 "Contact Port Authority advise what kind of vehicles, are they EVs"	21:27
HQ to D-1 "Port Authority advises 5-6 vehicles fully involved, not sure if they are EVs" / D-1 to HQ "Ask Port Authority for a Manifest, and entry point"	21:28
HQ to D-1 "Port Authority advises they are NOT EVs, working on a manifest"	21:30
HQ to D-1 "Do you need the Fireboat?" (Response from Chief unreadable)	21:31
D-1 to HQ "Dispatch E-27 to take Fireboat 2" / HQ to E-27 "did you receive that" / E-27 "E-27 is on scene"	21:33
"Take Marsh to the end, make a left, right into the shipyard, D-1 on scene as Command, will advise"	21:34
HQ to D-1 "Chief do you need an additional ladder?" / D-1 "Send me an engine to the scene, if I need to I will send E-27 or E-4 to the boat" / HQ to D-1 "This will be Engine 10"	21:35
E-4 and B-4 on the scene	21:35
B-5 to D-1 "Fire is on the top deck, they have it sealed off, working on (inaudible)" / B-5 to E-27 "Let me know what is going to be the best access from the ship captain?"	21:36
Ladder 8 on the scene / Ladder 11 is responding	21:37
E-27 to B-5 "a line working right now, you can't get through the door right now, because they wetted down the line with CO." / B-5 "Is there an access point where we can get a leader line close"	21:38
D-1 reports a Signal 11	21:39
B-5 to E-27 "Do we have an access point where we can get a line on the top deck?"	21:39
E-19 on scene as manpower	21:40
B-5 to E-27 "Do you have an update for me, I am on the way up"	21:41
"D-1 On scene I will be assuming command, appears that we have a fire on a very large ship, I will ger you the name of the ship"	21:41
E-27 to B-5 "Fire is knocked down, (inaudible) the CO they are worried about? / B-5 "The fire is knocked down" / E-27 "That is affirmative"	21:42
D-1 "Be advised they have 2 lines working on the top deck, the bulk of the fire has been knocked out, (spells out the name of the ship and Grimaldi)	21:43
E-27 to B-5 "Fire has been knocked down, we just have smoke" / B-5 "What resources do you need?"	21:44
HQ to D-1 "Do you need EMS on scene?" / D-1 "That is negative at this time"	21:44
D-1 to B-5 "Can you confirm how many vehicles were involved when you get up there?"	21:45
E-27 to B-5 "Chief they advised the fire started on Deck 10, we are on Deck 11 there is no fire here, so I am going to check deck 10"	21:46
HQ to D-1 "Be advised N. Hudson has been notified and they are responding" / D-1 "Received, I do not believe that we are going to need them" / HQ "Received"	21:47
HQ to D-1 "Chief can you give me a better location, is it berth 16?"	21:48
B-5 to D-1 "I am with the ship Capt. on deck 12, they have their own portable handlines in place and the fire is knocked down here, the fire actually started on level 10 two floors below, they were able to seal off those compartments and deploy the CO2, we are going to send E-27 down to check out those 2 levels, fire on 12 is knocked down, 11 & 10 investigating now" / D-1 "Received, and I have L-4 on the way to check 10"	21:49

E-27 to B-5 "Chief, they have like 5 lines working on the top deck, but no fire visible" / B-5 "That's down on floor 10? What's your location, floor 10 or 11?" / E-27 "We are on 11 the top deck" / B-5 "Check the conditions on floor 10" / E-27 "We are out of air, we are going to have get another tank" / D-1 "Received"	21:50
B-5 to Ladder 4 "Did you receive my last message, can you check floor 10, you have fresh bottles right?"	21:51
B-5 to D-1 "The ship holds 5,000 vehicles, I have 2 confirmed fires, the one on level 10 is unofficial for now" / D-1 "I appreciate it"	21:52
D-1 to HQ "That is Berth 18" / HQ "Received Chief"	21:53
E-27 to B-5 "I went to the 10 th floor and there is heavy smoke" / B-5 "Received"	21:54
HQ to D-1 "Chief we reached out to N. Hudson and let them know you did not want them to respond" / D-1 "I appreciate it"	21:58
B-5 to D-1 "We are going to check this sealed off compartment area on level 10" / D-1 "I appreciate that, it seems like we are getting more smoke on level 3, I want to make sure that thing is knocked out"	21:59
B-5 to D-1 "Can we get some additional tanks and a search line brought up"	22:02
D-1 to L-8 "Can you make sure that search line gets up there" / L-8 "Received"	22:02
*Inaudible calls from Ladder-4	22:03
HQ to E-10 "Per the Chief you can pick up" / E-10 "Received"	22:03
E-27 to B-5 "We gotta get a line on the 10 th floor we have visible flames" / B-5 "Received, see if you can get a line from one of the other crews, can you hit it from where you are or will you have to enter the compartment?"	22:04
B-4 to D-1 "We have fire on the 10 th floor" / D-1 "Received"	22:05
*More inaudible traffic from L-4 regarding tanks	22:06
B-4 to D-1 "We need someone to bring up 3 lengths of rolled hose, so that we can hook into their line, it is a long stretch" / D-1 "Received, and I have E-16 and L-8 coming up with more bottles and a lifeline"	22:07
*Calls between L-4 to confirm their status	22:09
B-5 to L-8 "We are staging on the top deck, far side, near the back"	22:09
D-1 to E-5 "Bring an additional length, they need 4 lengths" / E-5 "Received"	22:10
B-5 to D-1 "They are getting one of the onboard lines stretching in place to make a push now, I will give you an update in a minute" / D-1 "Received, has anyone checked 11?" / B-5 "Yes, 11 is clear, the problem is 10" / D-1 "Received"	22:11
HQ to D-1 "Do you need me to notify HQ-9D?" / D-1 "Give me a minute to see what I have" / HQ "Received"	22:12
D-1 to B-5 "E-5 is bringing 4 lengths of 1¾" / B-5 "Received Chief, but this is a 1" connection, we do not have any way to reduce it down that much" / D-1 "Received, yeah we don't have anything like that" / B-5 "We have one line down there in operation, I have a second line ready to go if we need a backup, I have crews here with extra tanks, we are making progress" / D-1 "Received"	22:15
D-1 to HQ "I'll give you an update, I have multiple cars on fire on large ship (inaudible), I have multiple decks with cars on it. Deck 10 & deck 12, that is the top deck, had about 6-7 cars on fire, still trying to make access to the fire on the 10 th floor, all companies working" / HQ "Received, multiple cars on fire, deck 10 & deck 12, 6-7 cars on fire, trying to gain access to deck 11"	22:16

B-4 to B-5 "We have several other entry teams here, can you give me an update on progress" / B-5: "What's your location?", "E-16 is on the line (inaudible)" B-5 "received." / E-16 "We got some heat here."	22:17
B-4 to D-1 "We had multiple cars burning, fire appears to be knocked down, we are mopping up" / D-1 "Received"	22:18
(inaudible) "B-4 we have fresh bodies, let me know when we need to rotate them"	22:19
HQ to E-16 "Per B-5, your last message was unreadable" / E-16 "We are on the line with L-4, we are going to push on, there is no additional fire at this time" / HQ to B-5 "Did you receive that message from E-16?"	22:19
B-4 to E-16 "Bring that line back out to the door"	22:20
B-4 to E-16 "Bring that line back out to the door"	22:22
HQ to E-16 "E-16, did you receive B-4's message, he stated you should bring the line back out"	22:22
*Inaudible transmission / "WE CAN NOT FIND OUR WAY OUT WE ARE LOST!"	22:23
HQ to B-4 / HQ to D-1 "Did you just hear E-16's last transmission?" / D-1 "Negative" / HQ "Be advised, It sounds like he said that he cannot find his way back out"	22:24
*Inaudible transmission / "WE ARE LOST!"	22:24
TONES SOUND Multiple transmission from multiple sources HQ & Personnel "You need to back out" / "Unit calling, identify yourself, what is your location, what do you need?" / "All companies come out"	22:24
TONES SOUND *Inaudible transmissions, "We are on the floor we went in" DISPATCH "You have a firefighter on the floor they went in on, all units evacuate yourself, HQ to D-1, Do you have that MAYDAY Chief, you have a firefighter on the floor where they went in on, he needs air" / D-1 "Received"	22:24
D-1 "E-16, follow the hoseline out, evacuate immediately"	22:24
TONES SOUND DISPATCH "All units evacuate yourself immediately, all units sound your airhorns, evacuate immediately"	22:25
