## Notes:

- 1) In general, DFAS will accept addendums in JTR approved scenarios for which IPPS-A cannot currently authorize entitlements
- 2) Addendums are also accepted for changes to entitlements on orders published ***prior to 1 May 2024***; Users must amend entitlement changes thereafter, per the fix enabled by [March 21 release](#) (ECR#11187)
- 3) Dependent birthdate addendums may also be required for Temporary Lodging Allowance (TLA) payments overseas as U.S. Army Financial Management Center (USAFMCOM) works policy change putting onus on housing offices
- 4) The Army seeks to minimize use of addendums and will continue seeking solutions toward that end
