# Civilian of the Year Award

## Ms. Jacqueline J. Keiser

*Deputy District Engineer for Programs and Project Management, Caribbean District*

Ms. Jacqueline Keiser serves as the Deputy District Engineer for Programs and Project Management for the Caribbean District. Ms. Keiser is responsible for executing and managing an annual program of approximately \$1 billion and includes a task force of about 117. She is delegated full authority for management decisions related to major district Civil, Military, Environmental, and Support for Others programs and projects. She assures continuity of management in the executive office at times of the commander's absence. Management responsibilities involve projects requiring substantial technical effort by functional elements including Planning, Engineering, Construction, Operations, and Real Estate; as well as substantial product delivery support from organizations such as Contracting, Resource Management, Safety, Value Engineering, Logistics, and the Public Affairs Office. She also interfaces both internally and externally to assure that the corporate effort will result in quality projects, delivered safely, on time, and at a reasonable cost.

# Songs

**US Army Corps  
of Engineers®**

## *Engineer Song*

### **“Essayons!”**

The official song of the U.S. Army Corps of Engineers

*Pin the Castle on my collar  
I've done my training for the team  
You can call me an engineer Soldier  
The warrior spirit has been my dream*

*Essayons whether in war or peace  
We will bear our red and our white  
Essayons we serve America  
And the U.S. Army Corps of Engineers  
Essayons! Essayons!*

**U.S. ARMY**

## *Army Song*

### **“The Army Goes Rolling Along”**

The official song of the United States Army

*March along, sing our song, with the Army of the free.  
Count the brave, count the true, who have fought to victory.  
We're the Army and proud of our name!  
We're the Army and proudly proclaim:*

*First to fight for the right,  
And to build the Nation's might,  
And The Army Goes Rolling Along.  
Proud of all we have done,  
Fighting till the battle's won,  
And the Army Goes Rolling Along.*

*Then it's hi! Hi! Hey!  
The Army's on its way.  
Count off the cadence loud and strong;  
For where're we go,  
You will always know  
That The Army Goes Rolling Along.*
