CYBER OPERATIONAL READINESS

Assessment

WORKSTATIONS

Keep a clean desk. Ensure all computers and peripherals are marked appropriately.

CAC

Protect all login credentials. Remove common access cards or SIPR tokens before leaving the computer. Never share passwords, personal identification numbers, CACS or token cards

REMOVABLE MEDIA

Cordless phones, wireless mice and keyboards are not authorized in any Fort Riley office space.

Secure and label all CUI, PII and removable media properly.
