## 1. PURPOSE

This regulation establishes policy and procedures and assigns responsibilities for managing the program for “monetary awards” ([glossary](#)), “honorary awards” ([glossary](#)), and “length-of-service recognition” ([glossary](#)) for “local national (LN) employees” ([glossary](#)) in Germany.

## 2. REFERENCES

[Appendix A](#) lists references.

## 3. EXPLANATION OF ABBREVIATIONS AND TERMS

The [glossary](#) defines abbreviations and terms.

## 4. RESPONSIBILITIES

a. The Civilian Personnel Directorate (CPD), Office of the Deputy Chief of Staff, G1, HQ USAREUR-AF, is responsible for establishing policy and procedures for the Monetary and Honorary Awards Program for LN employees in Germany.

b. Commanders, directors, “staff principals” ([glossary](#)), and “heads of agencies” ([glossary](#)) will—

(1) Provide leadership, direction, and supervision for the Monetary and Honorary Awards Program within their commands, directorates, staff offices, or agencies, including the areas of budgeting, program planning, and program evaluation.

(2) Be the approval or recommending authority for the awards described in this regulation.

(3) Develop supplemental devices for recognizing employee performance if required for organizational reasons.

(4) Ensure subordinate supervisors in their organizations are given proper guidance and assistance to initiate appropriate and timely recognition of employees’ achievements.

(5) Establish committees to process award nominations and assist in the planning, execution, and evaluation of the program when appropriate. These committees should include key persons from the major elements of the organization.

c. The United States Army Civilian Human Resources Agency, Europe Directorate (CHRA-E), will—

(1) Provide leadership and qualified personnel to support the program in its area of responsibility.

(2) Publicize the program to all serviced organizations.

(3) Provide online user guidance for supervisors at all levels.

(4) Provide adverse action (para 5b) certification for honorary awards and monetary awards exceeding \$5,000.

d. Supervisors will—

(1) Become familiar with program objectives and processes.

- (2) Document and recognize superior accomplishments of LN employees in a timely manner.
- (3) Recommend LN employees for awards when appropriate.
- (4) Ensure that no adverse action is in process against the nominated employee.

## 5. GENERAL PROGRAM ADMINISTRATION

a. The objectives of this program are to recognize excellent job performance of LN employees, to motivate employees to higher levels of performance, and to recognize length of service with the Federal Government during employment as well as upon retirement. Formal recognition of employee performance is a voluntary measure on part of the employer. There is no employee entitlement to awards.

b. An award will not be approved for a period in which the nominee was found to have violated standards of conduct or where a personal adverse action is pending based on performance or conduct.

c. Monetary or honorary awards may be given to LN employees at any time in their careers, including on occasions such as reassignment, transfer, resignation, and retirement, provided that the employee's accomplishments justify the particular award.

d. Honorary awards should follow a progressive sequence of recognition, except under circumstances where the contribution is so outstanding that recognition with a lower award would be insufficient.

e. Honorary award nominations that must be submitted to higher management levels for approval must be submitted in a timely manner. Nominating officials must explain in writing why a nomination was submitted late when—

- (1) The nominated employee has already departed the organization.

- (2) There is not enough time left to process the nomination and present the award before the employee departs the organization.

f. If a representative from an organization outside an employee's chain of command wishes to nominate an employee for an award, the nomination must be coordinated with the employee's immediate supervisor before the award nomination is initiated.

g. Nominations for high-level honorary medal awards must be coordinated with the U.S. Embassy in Berlin and with the German Foreign Office to ensure that giving the award to the LN employee is compatible with the interests of the U.S. Government and the U.S. Forces in Germany. [Appendix B](#) provides information about this coordination process.

h. To nominate employees for honorary awards that require the coordination in [subparagraph g](#) above, DA Form 1256 and a completed AEA Form 672-20A must be sent electronically to CPD, Office of the Deputy Chief of Staff, G1, HQ USAREUR-AF, with the responsible Civilian Human Resources Service Center (CHRSC) completing boxes 7d-f on DA Form 1256. A written justification for the award and a short proposed citation must also be included. After the award has been presented, a copy of the justification and the award certificate will be placed in the employee's official personnel folder (OPF).

i. The nominating organization will initiate monetary performance awards, special act awards, on-the-spot cash awards (OTSs), and time-off awards (TOAs) ([glossary](#)) on DA Form 1256 for signature by the commander or the designated approving official.

(1) Mass “cash award” ([glossary](#)) nominations may be prepared on an Excel spreadsheet with only one cover DA Form 1256.

(2) For awards up to \$5,000, the commander or a designee will sign a statement or use block 7 on DA Form 1256 to affirm that the nominee’s records have been reviewed and that no adverse actions are pending against the nominee.

(3) A short description of the employee’s achievements must be prepared for internal review and approval.

(4) Except for OTSs and TOAs of 1 day, all special act amounts will be determined using the criteria for tangible and intangible benefits listed in AR 672-20, chapter 7.

(5) Following approval signature, cash and time-off awards will be processed through the automated personnel action processing tool (AutoNOA).

j. Organizations may establish internal nomination and approval processes or award ceiling limits. Ceiling limits for cash award nominations within USAREUR-AF organizations are listed in paragraphs [7b\(7\)](#) and [7c\(5\)](#).

k. Employees may be presented a Commendation Certificate (DA Form 2443) with a short citation about the performance achievements for cash awards and TOAs. The certificate must be signed at the appropriate level in the organization.

(1) In general, awards should be processed for current, not former, employees.

(2) The processing of monetary awards is possible for up to 5 weeks after an employee’s departure. Since former employees are no longer visible to managers in AutoNOA, requests for monetary awards must be initiated with a “Service Now” ticket (category: Local National Staffing; Other). Requests must include the award type and the dollar amount. The effective date of the award action will be the day before the separation became effective.

(3) Certificates of appreciation or achievement (OPM Forms 101 through 110) ([app A](#)) may be prepared, or honorary awards may be submitted more than 5 weeks after an employee’s departure, if there are valid reasons why the award could not be processed before the employee separated.

## **6. TIME-OFF AWARDS**

LN employees may be granted a maximum of 10 workdays of time off during the calendar year without charge to leave as an award for achievements or performance significantly contributing to the accomplishment of a U.S. Army mission. A TOA of up to 5 workdays may be granted for a single contribution. TOAs may not be granted in less than 1-day increments. The TOA may be granted alone or in combination with monetary or nonmonetary awards.

a. The employee’s contributions for TOAs must directly support the U.S. Army mission or result in benefits to the U.S. Government. The scope and the value of contributions must be considered when determining the amount of time off that is approved (AR 672-20, table 7-3).

b. The commander, director, or head of the agency may delegate the authority to approve TOAs to supervisors, managers, or section chiefs within the organization.

c. Employees must take time off granted through a TOA within 12 months after the date the TOA was approved; otherwise, the time off is forfeited. Rare exceptions to this rule may be issued by Headquarters, Department of the Army (HQDA). Employees should be allowed to take the time off when they wish as long as this does not conflict with the operational requirements of the organization. A TOA of several days may be granted in 1-day increments if so desired by the employee and approved by management.

d. Supervisors will not direct the use of TOAs for any specific time or day, whether for an individual or a group of employees.

e. Financial compensation in lieu of the time off is not authorized.

## 7. MONETARY AWARDS

Cash awards for LN employees will be submitted in dollar amounts but paid in equivalent euro amounts using the conversion rate established by the U.S. Forces for each fiscal year. The notification of personnel action will automatically list the euro amount of the award. LN employees may be nominated for the following monetary awards:

**a. On-the-Spot Cash Award.** This is a monetary award from \$50 to \$500 that may be given by a supervisor as immediate recognition for day-to-day accomplishments or for successfully completing a short-suspense special task.

**b. Special Act or Service Award.** This monetary award may be given to recognize meritorious work-related accomplishments within or beyond assigned responsibilities. Superior accomplishments may involve an individual employee or groups of employees.

(1) The achievements must result in tangible or intangible benefits (or both) to the U.S. Forces.

(2) This award is particularly appropriate to recognize short-term superior accomplishments—

(a) In the regularly assigned responsibilities.

(b) In a temporary assignment.

(c) At the successful conclusion of a special project.

(3) When a special act or service award is given for accomplishments within assigned job responsibilities, the accomplishments must significantly exceed normal expectations.

(4) The accomplishments to be recognized must not have served in any way as the basis for a previous cash award.

(5) Amounts for this award range from \$25 to \$25,000, depending on the achievements being recognized and based on the documented tangible or intangible benefits and savings for the U.S. Forces (AR 672-20, tables 7-1 and 7-2).

(6) Award nominations for more than \$10,000 require HQDA approval.

(7) Award nominations for more than \$5,000 submitted by HQ USAREUR-AF staff sections and USAREUR-AF units require CG, USAREUR-AF, approval.

(8) A special act or service award should be initiated within 30 calendar days after the achievement to be recognized.

(a) Awards exceeding locally established approval ceiling levels require approval by higher headquarters or HQDA. The nomination package must include a detailed description of the employee's superior achievement and the signatures of the nominating and approving officials.

(b) Awards not exceeding the locally established ceiling levels require only a short description of the employee's achievement and resulting benefits.

**c. Performance Award.** This monetary award may be given to recognize sustained high-level performance for a specific period.

(1) The period to be recognized should normally not be less than 12 months. The 12-month period does not have to match the fiscal or calendar year.

(2) The nomination package must include a detailed explanation of how the employee's continued superior performance contributed to accomplishing the organization's mission and, therefore, justifies a cash award.

(3) The justification may not have been the basis for a previous award and may not be used as the basis for a future award.

(4) Amounts for this award cannot exceed 10 percent of the employee's annual base pay. The determination as to what percentage is appropriate in the individual case is at the discretion of the approving official in the organization.

(5) Within USAREUR-AF, performance award nominations for more than \$5,000 submitted by HQ USAREUR-AF staff sections and USAREUR-AF units require CG, USAREUR-AF, approval.

## **8. CAREER SERVICE RECOGNITION**

a. The same length-of-service certificates and emblems that are used for U.S. civilian employees will be presented to LN employees in recognition of their length of service with the U.S. Forces (AR 672-20, para 20-3c(1)).

b. Length-of-service certificates are available in 5-year increments from 5 to 50 years. Lapel pins are available in 5-year increments from 10 to 50 years.

c. After completing 10 and 15 years of service, the employee is entitled to 1 day of administrative leave as a one-time entitlement. The supervisor should inform the employee and timekeeper accordingly. These days must be taken within the following 12 calendar months, beginning with the first day of the month in which the length of service occurs; otherwise, they are forfeited. The leave will be granted on individual days if the employee so desires. The leave will be taken at the employee's convenience unless this is incompatible with the operational requirements of the employing organization. Cash compensation for the administrative leave entitlement is not authorized.

d. After completion of 20 years of service, the employee is entitled to 2 days of administrative leave as a one-time entitlement. The supervisor should inform the employee and timekeeper accordingly. These days must be taken within the following 12 calendar months, beginning with the first day of the month in which the length of service occurs; otherwise, they are forfeited. The leave will be granted on individual days if the employee so desires. The leave will be taken at the employee's convenience unless this is incompatible with the operational requirements of the employing organization. Cash compensation for the administrative leave entitlement is not authorized.

e. After completing 25, 30, 35, 40, 45, and 50 years of service, the employee is entitled to 3 days of administrative leave as a one-time entitlement. The supervisor should inform the employee and timekeeper accordingly. These days must be taken within the following 12 calendar months, beginning with the first day of the month in which the length of service occurs; otherwise, they are forfeited. The leave will be granted on individual days if the employee so desires. The leave will be taken at the employee's convenience unless this is incompatible with the operational requirements of the employing organization. Cash compensation for the administrative leave entitlement is not authorized.

f. For employees working in shifts that start on one calendar day and end on the next calendar day, the calendar day on which the shift starts will count as the "workday" and cover the entire shift.

g. The years of service are completed on the day of the anniversary of the initial appointment with the U.S. Forces.

h. In addition to the certificate, the lapel pin, and the administrative leave for career service, a one-time cash award will be paid as follows:

- (1) €500 after completing 10 years of service.
- (2) €1,000 after completing 20 years of service.
- (3) €1,500 after completing 30 years of service.
- (4) €2,000 after completing 40 years of service.
- (5) €3,000 after completing 45 years of service.

i. The personnel actions will be processed automatically by AutoNOA.

j. If an employee passes away after the length-of-service anniversary but before the cash award is paid, the payment will be made to survivors who are entitled to death benefits in accordance with the "*Tarifvertrag vom 16. Dezember 1966 für die Arbeitnehmer bei den Stationierungstreitkräften im Gebiet der Bundesrepublik Deutschland*" ([glossary](#)), article 38, paragraphs 1b(1) and (2).

k. The employing organizations will regularly pull names of LN employees due for length-of-service recognition. Employing organizations are responsible for obtaining length-of-service certificates and lapel pins through appropriate supply channels in their chain of command. Signature authorities for length-of-service certificates are listed in the [table](#).

l. Certificates signed by the CG, USAREUR-AF, for 50 or more years of service, can be obtained from the USAREUR-AF G1, Unit 29351, APO AE 09005-9351.
