MEMORANDUM FOR CHIEF INFORMATION OFFICER OF THE DEPARTMENT OF
DEFENSE
AUDITOR GENERAL, DEPARTMENT OF THE NAVY

SUBJECT: Audit of the Security Over the DoD's Unclassified Wireless Telecommunications
(Project No. D2025-D000CV-0091.000)

The purpose of this memorandum is to notify you that we are initiating the subject audit in response to a congressional request by Senator Wyden and Senator Schmitt. The objective of this audit is to assess whether the DoD is effectively securing its unclassified wireless communications procured through the DoD's wireless Mobility Services contract, commonly known as the Spiral 4 contract. We may revise the objective as the audit proceeds, and we will also consider suggestions from management for additional or revised objectives. We plan to perform this audit in accordance with the Government Accountability Office's generally accepted government auditing standards.

We will perform the audit at the Offices of the DoD Chief Information Officer and the Naval Supply Systems Command Fleet Logistics Center San Diego. We may identify additional locations during the audit.

We request that you designate two points of contact for this audit within **5 days** of this memorandum. One point of contact should be a Government employee—a GS-15, pay band equivalent, or military equivalent—who is knowledgeable of the security requirements and oversight for the Spiral 4 contract. The second point of contact should be a member of the Senior Executive Service or a General/Flag Officer who is familiar with the security requirements and oversight for the Spiral 4 contract, and could serve as a point of engagement with DoD Office of Inspector General senior leaders, if necessary. Send each contact's name, title, grade/pay band, phone number, and email address to [REDACTED].

The Inspector General Act of 1978, 5 U.S.C. §§ 401-424, as amended, authorizes us to have access to personnel and materials as we determine necessary to perform our oversight in a timely manner. You can obtain information about the DoD Office of Inspector General from DoD Directive 5106.01, "Inspector General of the Department of Defense (IG DoD)," April 20, 2012, as amended, and DoD Instruction 7050.03, "DoD Office of Inspector General Access to Records and Information," November 13, 2024.
