LEAST TERN TOUR ANNOUNCEMENT

Alameda RAB and community members, the Alameda Post reported that this year marks 31 years since Susan Ramos, a naturalist at the Doug Siden Visitor Center, initiated bus tours for the public to enter restricted land to view the least terns on their nesting grounds. The colony initially established itself on barren ground, right between active runways on the Naval Air Station, Alameda.

For information on attending the bus tour, visit the East Bay Parks website at:
