The Naval Facilities Engineering Systems Command Base Realignment and Closure Office (NAVFAC BRAC PMO) announces a meeting of the Former Naval Air Station (NAS) South Weymouth Restoration Advisory Board (RAB). The meeting is online only. Attendees can participate using the Teams link or the call in phone number provided above.

The Navy will provide updates including ongoing Long Term Monitoring (LTM), per- and polyfluoroalkyl substances-related activities, groundwater remediation-related activities, and planned transfer actions. Meeting material will be available by request.

For questions or additional information please contact Base Realignment and Closure (BRAC) Program Management Office East, Environmental Coordinator, ATTN: Mr. Chris Harding, 4911 S. Broad St. Philadelphia, PA 19112, (215) 897-4904, christopher.l.harding4.civ@us.navy.mil.
