THE DESTROYERS

The Destroyers are Navy Band Southwest's high-energy Popular Music Group that specializes in a wide array of musical genres ranging from current Top 40 hits to R&B, classic rock, jazz, and easy-listening. This dynamic ensemble is well-accustomed to "rocking out" at music festivals or providing background music for receptions in honor of military and civilian dignitaries. The Destroyers perform for audiences throughout the southwest U.S. in support of Commander, Navy Region Southwest.
