

Naval Submarine Base New London - Community Involvement Plan Survey
February 17, 2026

The U.S. Navy is offering an online survey to address and understand community interest and awareness of ongoing environmental restoration efforts at Naval Submarine Base New London (NSB NLON).

Please complete the Navy's 20-question Environmental Concerns Survey. The survey is anonymous and may take up to 20 minutes depending upon your level of engagement.

This survey will help the Navy understand your level of awareness and concerns about the site. The results of the survey will be used to inform an update to the Navy's Community Involvement Plan that will be made available to the public. This plan lays out information on the site and helps the community understand how they can stay informed and involved in the cleanup process.

If you have questions concerning this survey, email [NAVFAC ML PAO ALL@us.navy.mil](mailto:NAVFAC_ML_PAO_ALL@us.navy.mil) or [SUBASENLON PAO@us.navy.mil](mailto:SUBASENLON_PAO@us.navy.mil) or leave a message at 757-341-1410 /11 or 860-694-5980.
