

# Hunters Point Naval Shipyard Parcel G Building Demolition Progress Update

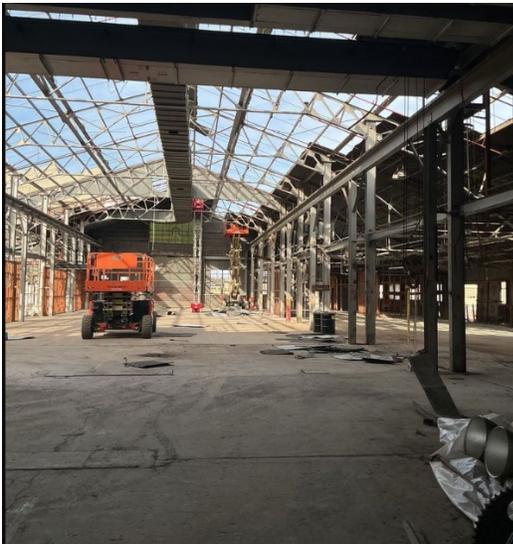

**Week of: March 23, 2026**

## Achievements

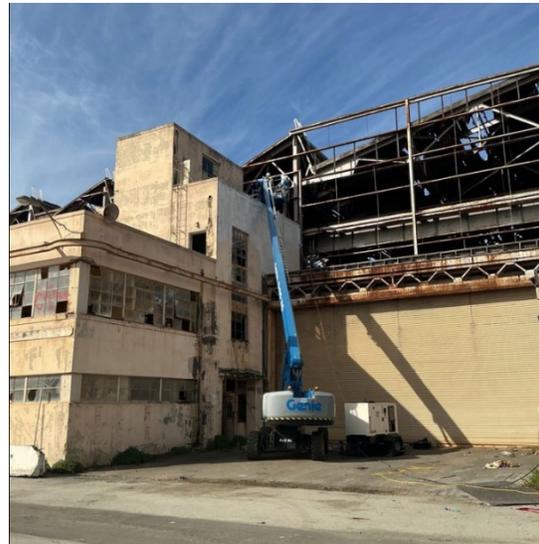

- Continued abatement of buildings 366 and 411.

## Upcoming Work Week: March 30, 2026

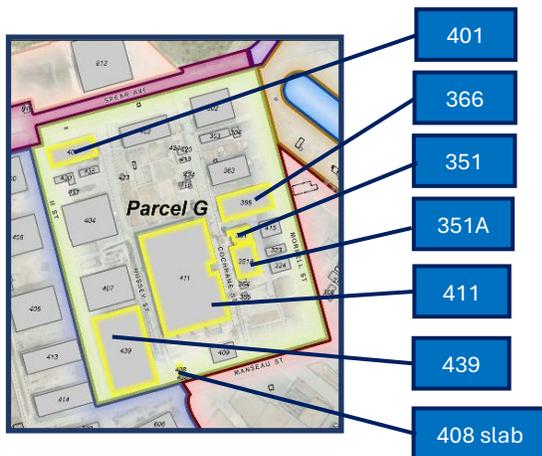

- Continue with abatement of buildings 366 and 411.

*Building 366 – Roof Panel Removal*

*Building 411 – Lead Paint Abatement*

## Project Overview:

The Navy is demolishing six buildings and one former building slab at Parcel G under a Multiple Award Construction Contract. This work is the one of the final steps in the environmental cleanup activities at Parcel G in preparation for property transfer to the City and County of San Francisco.
